Two-Way Bilingual (Dual) Immersion Program Institute

Planning, Implementing and Monitoring a Two-Way Bilingual (Dual) Immersion Program

This 3-day institute will address the purpose, philosophy and key features of two-way bilingual (dual) immersion (TWBI) programs. Participants are encouraged to attend as part of a team in order to take advantage of the resources and planning time allotted throughout the Institute. Team members may include: school board members, administrators, teachers, coordinators/facilitators and other interested educators.

The Institute will provide assistance for those teams who are planning for or are in the first year of implementation of a new TWBI program. In addition, the Institute will provide assistance for experienced TWBI programs as they critique their program according to the research-based “Guiding Principles for Dual Language Education.” Topics covered will include:

- Curriculum & Instruction
- Assessment & Evaluation
- Staffing & Professional Development
- Program Structure
- Family & Community
- Support & Resources

Institute participants will receive the *2-Way CABE TWBI Tool Kit*, a binder of resources that will guide them in the planning, daily implementation and monitoring of a TWBI program. In addition, opportunities will be available to participate in a TWBI school visit (see optional date information) and to peruse exhibits specializing in materials for TWBI programs.
