CABE Regional Conferences for Educators, Para-Educators and Parents

We invite you to join us at this conference and experience high quality professional development for educators and an opportunity for parents to gain vital information and develop leadership skills. CABE believes that professional development is an ongoing process and is most effective when grounded in a sound theoretical and philosophical base and responds to the background, experiences, and the current context of our attendees. CABE professional development opportunities are structured to promote clear linkages between theory and practice and use an active, hands-on approach while stressing an interactive approach that encourages learning from one another.

In addition to the workshops and institutes, there will be an awards luncheon honoring our Teachers, Para-Educators and Parents. **YOU** do not want to miss out, **Register TODAY!**
